Plan ahead and keep your vehicle on the road for longer

The Kia Service Plan runs for a set period of time (e.g. 3 years) or for a fixed number of kilometres (e.g. 45 000 km), whichever happens first. To ensure your plan stays intact, service your vehicle as per the Kia specifications.

What is a Kia Service Plan?

This plan provides for the Kia specified services and parts that your vehicle needs. All services must be performed by a Kia approved repair facility, at the prescribed mileage intervals or annually - whichever happens first.

The Kia Service Plan offers you convenient payment options so that you spend less time worrying about the costs of taking care of your vehicle and more time enjoying the open road.

The Kia Service Plan is not a Maintenance Plan or Warranty. A Maintenance Plan provides for your vehicle's services and specific wear-and-tear items like brake pads, shock absorbers and wiper blades. A warranty provides for unexpected mechanical breakdowns and electrical failures.

How do you benefit?

This plan includes Kia specified services and parts

- Only qualified technicians who use genuine Kia parts will service your vehicle
- Affordable monthly payment option to avoid paying large amounts at once
- The financial institution that finances your vehicle may be able to incorporate the payments for your plan into your monthly vehicle instalment

What does a Kia Service Plan provide for?*

- Filters (oil, air, pollen, fuel)
- Oil & lubricants (engine, coolant, transmission, brake & clutch, differential)
- Spark plugs
- Sump plug gasket
- Workshop consumables
- Belts (accessory belt, cambelt) (only if specified in the Kia service schedule)
- Tensioners & pulleys (only if specified in the Kia service schedule)

Your vehicle qualifies for a Kia Service Plan if it

- Has travelled less than 250 000 km; and
- Is less than 10 years old (calculated from date of first registration)
